

# Mercy's VascYouLearn (Vascular) Screening Program

Your partner in preventing heart and vascular conditions.

Mercy offers quick, painless screenings for carotid, aortic and peripheral artery disease (PAD).

**Early detection can save your life!**

In addition to receiving your test results within days, Mercy's staff will provide education during your screening session on avoiding cardiovascular or cerebrovascular issues, PAD, diabetes and developing proper solutions with your diet and exercise. **After receiving results, Mercy's staff will be available to help you interpret them and customize a plan for you.**

**Who should consider this program?**

If you are overweight, have a family history of stroke, PAD, aortic abdominal aneurysms, and/or high blood pressure, high cholesterol, diabetes, cigarette smoking or inactive lifestyle at any age.

## IMAGING CENTER/MERCY HEALTH PLAZA

(next to Wehrenberg Theatres)

Every Tuesday from 1 to 4 p.m.

To keep your physician aware of your current medical tests, copies will be sent to your physician and a **physician referral is required.**

Call (319) 861-7778 to schedule an appointment.

Payment due at time of screen. Cash, check or credit card accepted.

All screenings include a free PAD screening.

Carotid Screen: \$37.50/Aortic Screen: \$37.50, or all 3 for \$75.
