Mercy's new 10th Street entrance.

Dear
FRIENDS
of Mercy

As we look back over the past year, we in the Foundation see how much has been accomplished during this time by so many. We have risen above the flood waters, have rebuilt and reopened all areas of the hospital, and are so grateful for all those who have contributed their time, talents, financial gifts and prayers to bring all of this about. We are blessed with so many friends who continue to help us be better than ever.

Now, a year later, we will never forget what has been done, but we look forward to what is to come and how that will be accomplished. Our strategic plan has been updated and is being implemented for the good of all. We continue to maintain valued relationships with our friends and to develop new friends who will learn about *The Mercy Touch*® and will assist us in moving ahead together in support of Mercy. We will look for ways to continue our established scholarships and to develop new ones that will benefit our hospital staff through education, so they will become better than ever.

The hospital has made many improvements since the flood. Have you visited Mercy Medical Center lately to see the new welcoming front entrance, and expanded and convenient parking ramp as you enter on 10th Street? All these renovations don't change the essence of our mission—to deliver *The Mercy Touch* to all who enter our doors. Excellence in patient care and

providing the best patient experience are what truly matters. You can expect state-of-the-art technology and highly trained professionals when you come to Mercy.

We're here for your life. We're here for all stages of life. We're here at the beginning of life and each step along the way.

We are grateful to all of you, our benefactors, for all that you do in so many ways, and we thank you and ask God's blessings for you.

Gratefully,

Sr. James Marie Donahue

A PRESCRIPTION FOR SAFETY

Waves of opportunity for a bigger, better Pharmacy rose when Mercy's former basement-level Pharmacy was flooded in the Flood of 2008.

Mercy Pharmacy Director Desmond Waters (yes, his last name is really waters), rose to the occasion and turned adversity into opportunity. Today, the Pharmacy is a state-of-the-art, fully automated, robotic department, located on the first floor.

Desmond Waters

Pharmacy Director

"Providing the best possible care resulting in the best possible outcomes is our No. 1 priority," says Waters, R.Ph, MBA. "With the implementation of our new pharmacy automation systems, our goal is to provide exceptional care and enhance quality, and provide excellent services and customer satisfaction for our patients."

The Pharmacy features a new robotic prescription system, which automatically dispenses the ordered medication into the patient-specific bar-coded envelope, upon request by the pharmacist.

"Mercy aspires to be a center of excellence, and that includes the Pharmacy," says Waters. "Our brand new automated technology increases patient medication safety, improves quality, is cost-effective and allows

processes to run smoothly and efficiently. The automation also helps us transition to electronic patient record keeping."

The Pharmacy's technology dovetails with the hospital's new Bedside Management Verification (BMV) and electronic Medication Administration Record (eMAR).

The FDA reports medication errors cause at least one death every day. In July 2006, the Institute of Medicine revealed medication errors hurt more than 1.5 million people nationwide who receive care in hospitals, nursing homes and physician offices each year. The report cites information technology as a key factor to preventing these errors.

While 23 percent of U.S. hospitals have adopted bar-code technology to ensure safety during medication administration, the AHA reported in 2005 that only half have fully implemented the technology.

This highly efficient process means less manual labor is needed in the Pharmacy, which allows pharmacists to become more patient-focused. Pharmacists will be available resources for medical providers and take part in the clinical interaction on the hospital floors.

"This exciting medication safety project is energizing the entire hospital and our community, and we are so glad to be part of it," says Waters.

Jan's life of service includes giving in so many ways.

A LIFE OF SERVICE

“Mercy—that’s my hospital.” That’s a comment you often hear in the community. The bond between Mercy and those who choose it as their hospital can be very strong, with many memories that create a special sense of belonging and a connection for life. During a recent visit with longtime Mercy volunteer Jan Kazimour, Jan shared the story of her special connection with Mercy. Over the years, she has given countless hours of community service to the hospital. Perhaps it was just meant to be as she, along with her brother, husband Bob Kazimour and their two daughters, were born at Mercy. She found her niche of service through a Junior League commitment that required involvement in community service work. Jan remembers that she just happened to choose Mercy. “I had two young children at home and couldn’t

commit, at that point in my life, to a regular volunteer schedule. I was working in admissions in the old 1903 building and they knew they could just call when they needed me,” Jan says. Her service to Mercy grew and, since 1967, she’s logged over 11,830 hours of volunteer service in Admissions, the Emergency Department, the 10th Street Information Desk and by giving hospital tours. Now, you’ll find her in the Emergency Department in the morning and at the main information desk in the afternoon every Wednesday. She noted “I always look forward to my Mercy day and the new challenges that it brings.” Side-by-side with her volunteer service, she also has been a member of the Mercy Board of Trustees for 26 years and a member of the Mercy Foundation Board since 2004. As a Trustee, she serves on various committees, including Marketing, Ethics, Fiscal Management, Allied Health Practitioners and Corporate Compliance. Her

volunteerism doesn’t stop at Mercy, but stretches out into the community, where she currently is serving on nine other boards. In addition to her volunteer commitments at Mercy, she and Bob have generously provided financial support for the work and mission of the hospital. Some of Jan’s fondest memories of Mercy came from her relationships with Sr. Mary Lawrence Hallagan and Sr. Augustine Roth, both of whom she considered to be very wise and truly inspiring women. Jan also marvels at the growth in the facilities, the incorporation of advanced technology made by the

hospital and, most importantly, the ongoing commitment to every aspect of care. There’s a sense of pride and connection when she says, “The Mercy Touch® is always there—that sense of caring and professionalism that can be identified and quantified in so many ways. Mercy truly is here for us for life.”

“Mercy—that’s my hospital.” Jan Kazimour

MERCY MERITS

Anationally-recognized leader in quality health care, Mercy Medical Center consistently earns awards, accreditations and certifications for its excellent, safety-focused, patient-centered care.

- Four new accreditations were granted to Mercy Medical Center this past year: Chest Pain Center Accreditation from the Society of Chest Pain Centers; Pain Program Accreditation awarded by the American Academy of Pain Management; Accreditation of Echocardiography Laboratories from the Intersocietal Commission for the Accreditation of Echocardiography Laboratories; and Mercy's Regional Cancer Center was recognized by the Commission on Cancer of the American College of Surgeons as offering the very best in cancer care.
- MercyCare Marion, part of the MercyCare Community Physicians network, celebrated an 8,000 square foot expansion at a ribbon-cutting ceremony June 9. The clinic accommodates 12 providers and provides comprehensive family medicine services, an on-site lab, X-ray, pharmacy and family counseling.
- Mercy Medical Center's state-of-the-art NICU opened May 26. It is one of a few in the U.S. with a family-centered design allowing parents to be near their baby at all times, with the opportunity to be a part of his or her care. Each private NICU suite provides more than 400 square feet of space and is specially equipped for babies' needs.
- 8th & 8th Medical Office Building, a 72,000 square foot facility which includes medical office space for physicians, opened in June. Cedar Rapids OB-GYN Specialists and Innovative Aesthetics signed on as the first tenants of the four-story building.
- The newly renovated Pharmacy celebrated with a ribbon-cutting ceremony May 7. The Pharmacy features new automated technology system that enhances safety and quality patient care.
- Mercy Medical Center was proud to announce the opening of its new parking ramp mid-May. The 10th Street and Eighth Avenue ramp doubles parking capacity and provides convenient access to patient rooms.
- Eleven Mercy Medical Center nurses were selected to be honored among the 100 Great Iowa Nurses for 2009. This award recognizes nurses who have made a meaningful and lasting contribution to humanity and their profession. Recipients are: Kathleen Swift, Linda Glandorf, Catherine Kane, Brooke Moore, Aimee Bell, Tawnya Salsbery, Kathryn Smelser, Susan Desmet, Molly Newhouse, Sharon Boekenstedt and Carla Menge.

Commission on Cancer

AHA's Gold Performance Award for sustained coronary artery disease care. Chest Pain Center Accreditation from The Society of Chest Pain Centers (SCPC). Gold Seal of Approval® from The Joint Commission for Primary Stroke Centers. Three-Year Approval with Commendation from the Commission on Cancer (CoC) of the American College of Surgeons (ACoS). First and only hospital in Cedar Rapids to receive ICAEL accreditation for quality echocardiographic services. Pain Program Accreditation by the American Academy of Pain Management

INVEST IN THE PERFECT PATIENT EXPERIENCE

Mercy Medical Center's mission – to care for the sick and enhance the health of the communities we service, guided by the Sisters of Mercy.

The mission says it all. Mercy cares. Mercy is committed to excellence. Mercy is here for you - the patient, the family member, the community. We listened and heard your message. Private rooms are necessary and we've invested in a complete renovation of the patient floors to meet the needs of our community.

You can be an investor too. Sponsoring one of the private rooms is a wonderful way to express gratitude to a special nurse, physician or an entire team of medical professionals. Or, as many have done, sponsor a room in honor or memory of a loved one.

A beautiful brass plaque placed outside the room will recognize your gift. There are still opportunities on these

floors - Surgical Inpatient Center, Pulmonary Medicine Center, Perrine Oncology and Neurosurgery Center and the Inpatient Rehabilitation Center. (Orthopaedic Center and Cardiac Stroke Center have limited availability.) We can help you find the right fit for your needs.

Room sponsorships begin at \$5,000 with a variety of options available such as patient rooms, nurses' stations, family lounges, etc. Original artwork by Iowa artists can also be sponsored for \$1,000.

Private rooms mean quicker returns to home, fewer infections, faster healing and less medications. As a room sponsor, you are contributing to the comfort, beauty, and state-of-the-art technology that make for the perfect patient experience.

For more information, call the Mercy Foundation office at (319) 398-6206.

MAKING WISHES COME TRUE

“It is so difficult to lose someone.”

Linda Solem's Children
Family of Hospice House patient

As the saying goes, “when the going gets tough, the tough go shopping.” That’s exactly what happened at the Dennis and Donna Oldorf Hospice House of Mercy. When patient Linda Solem expressed her desire to go shopping, the Hospice House staff made it happen.

“We were not comfortable taking my mother in her condition,” explained daughter Lisa Turkington. “To calm our fears, one of the hospice workers accompanied us on the trip. They truly are about trying to fulfill last wishes.”

When Linda was diagnosed in October 2008 with lung cancer, she was given approximately two weeks to live. Faced with uncertainty and apprehension, Linda’s family, including Lisa, daughter Melisa Brunscheen and son Joe Solem turned to Hospice of Mercy. They had young families of their own and didn’t have the resources to care for their mother themselves.

“Hospice stepped right in when we needed them the most. They made our decision to admit Mom to the Hospice House easy,” Lisa commented. “It took the burden off of our shoulders to know that our mother would be well-cared for.”

Linda outlived everyone’s expectations. The family spent Thanksgiving, Christmas and New Year’s Eve at the Hospice House. While it was tough celebrating away from home, the beautiful family-style kitchen and large dining room allowed the family to enjoy time together.

“We can’t express our appreciation enough to the Hospice House and the staff. In a lot of ways, they became our family, too. They were there for us just as much as for our mother,” says Melisa.

“We became very close to the staff. To show some measure of appreciation, we visit often and take treats for families of other patients,” she added.

Linda left an impression on the Hospice House staff. Her wonderful sense of humor brought joy to all

who cared for her. She took advantage of the massage therapy and enjoyed the gentle comfort it provided. Linda’s family knew that everything was being done to make her comfortable.

Linda’s journey ended on January 13, 2009. Her family felt blessed for the extra three months they were given at the Hospice House. The peaceful surroundings, the compassionate care and the home-like atmosphere gave them the strength, comfort and confidence they needed.

Lisa, Melisa and Joe concur. “We whole-heartedly recommend the Oldorf Hospice House to anyone needing respite or end-of-life care. It is so difficult to lose someone, but they are there to help both your loved one and your family. They reminded us frequently the importance of taking care of ourselves. We went home every night feeling assured that our mom was getting the best possible care.”

Remembering with Love Lights

A new tradition has begun at the Dennis and Donna Oldorf Hospice House of Mercy. An annual tree lighting ceremony will take place every December to commemorate the lives of those we love.

The “Love Lights” tree will be the center of the celebration. Each single light with its gentle glow will together create a shining brilliance of hope for all.

Your gift of any amount will help light the tree and be a remembrance of a loved

one, friend or

hospice worker. These contributions will go to support the work of Hospice of Mercy throughout the year.

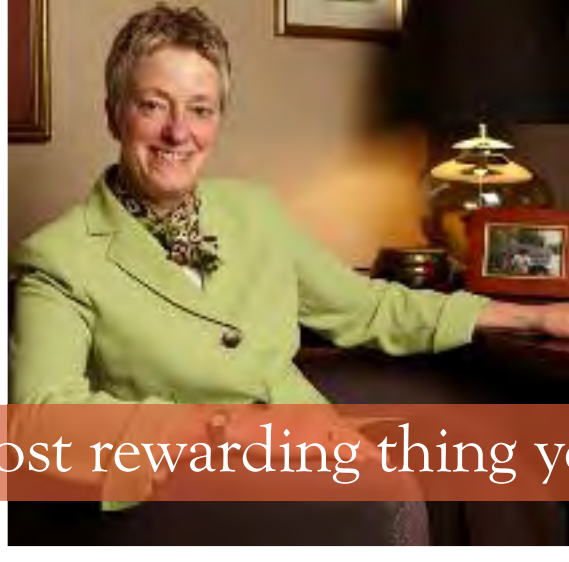

In recognition for your gift, you will be invited to attend the annual tree lighting ceremony in December.

Gifts can be sent to: Mercy Foundation, 701 10th Street SE, Cedar Rapids, IA, 52403. Indicate “Love Lights” in the note section. All gifts are tax deductible.

“The most rewarding thing you can do now is to help create a better tomorrow.”

CREATING A BETTER TOMORROW

A quote from a Peace Corps advertisement recently caught my attention: “The most rewarding thing you can do now is to help create a better tomorrow.” It makes good sense and, in these difficult times, it can inspire us to move mountains. At Mercy, we’re working on that better tomorrow, today, and this vision is shared by the Mercy family, including you!

Your giving to Mercy this past year opened more doors than ever to “create a better tomorrow” to support the areas of greatest need. We’re pleased to provide you with a detailed summary in this annual report that specifically outlines how these gifts were used.

Looking back over the past year, we also are thankful for those who generously contributed to support urgent, specific needs, ongoing care programs and new, long-range initiatives at Mercy including:

- The Employee Flood Relief Fund
- The new Graduate Nurse Residency program
- Creation of a new, educational simulation laboratory
- The Dennis and Donna Oldorf Hospice House of Mercy

- The Hospice of Mercy program
- New, endowed scholarships to support nurses studying at both the undergraduate and graduate levels.

In addition, many friends of Mercy remember the hospital in their estate plans. Planned gifts designated through a will, retirement plan, life insurance policy, charitable gift annuity or trust provide critical assistance and are directed toward the area of greatest need, a specific program, or area of interest. Creating such an enduring legacy touches the lives of those Mercy serves—for generations to come!

If you are interested in establishing a planned gift to support the hospital, we can assist you. The Foundation’s bequest language may be used by you and your professional advisor to create an estate consideration for the hospital. Additionally, we can send you the Foundation’s “Ways To Give” brochure that includes detailed information about giving to Mercy.

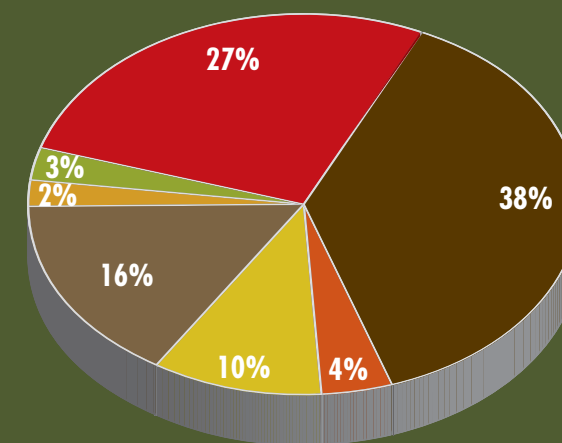

We hope you enjoy this year’s annual report and welcome your comments. You can reach us at 398-6206 or email me at shawn@mercy.org. As always, Mercy is here for you and we deeply appreciate you joining with us as we all work to create a better tomorrow.

YOUR OWN PIECE OF HISTORY

With the holidays around the corner, here is an idea for those hard to buy for family members and friends that honors the legacy of a nursing graduate or pays tribute to Mercy’s rich history.

For gifts of \$65 or more, an original brick from Mercy’s School of Nursing, with a commemorative plaque, will be given to the first 500 people who donate. Bricks may be shipped or picked up at the Foundation office. All proceeds will benefit the Mercy Medical Center School of Nursing Endowed Scholarship. This scholarship supports the future educational needs of nursing students affiliated with Mercy Medical Center.

Donations may be sent to: Mercy Medical Center Foundation, 701 10th Street SE, Cedar Rapids, IA 52403. Please indicate that you want your donation to go to the Nursing Scholarship. For further information, please call the Mercy Foundation office at (319) 398-6206. Donors to the School of Nursing Scholarship are located on page 52.

PARTNERS IN CARING

All donors to the Mercy Foundation between July 1, 2008 and June 30, 2009 are listed.

BEQUESTS lists deceased persons whose gifts were received through wills, trusts, or other planned giving tools.

FOUNDERS' SOCIETY lists those who have included Mercy Medical Center in their estate plans, created an endowed fund at the Mercy Foundation, made a planned gift, (ie life insurance designation, gift annuity, etc.) or contributed a total of \$50,000 or more in lifetime gifts to Mercy.

GIFTS lists those whose gifts were not designated as honor or memorial gifts.

IN HONOR lists the persons honored, followed by those who gave the gift.

IN MEMORY lists deceased persons, followed by the donors who gave to their memorials. Every memorial fund remains open, and gifts are always welcome.

COMMITMENT TO COMMUNITY lists Mercy staff members and physicians who gave to Mercy Foundation through Mercy's annual employee campaign.

LOVE LIGHT TREE at the Oldorf Hospice House lists donors who gave to light the annual December Love Light tree. In memory of or in honor of designees are included with the donors' names.

MERCY SCHOOL OF NURSING ENDOWED SCHOLARSHIP lists donors who gave to this scholarship which supports the future educational needs of nursing students affiliated with Mercy Medical Center.

When we receive your gift, we write to thank you for the gift and acknowledge the purpose for which you gave. In the case of honor or memorial gifts, we also notify the honoree or the family of the deceased that we have received your gift and provide your name and address.

We make every effort to accurately report your gifts in the annual Partners magazine. Please notify us of any corrections.

Your support of the Mercy Foundation helps us bring the "Mercy Touch" to those we serve and care for every day.

PARTNERS IN APPRECIATION

Many of our patients express their gratitude with personal notes. This extra thoughtfulness brings much joy to the nurses, physicians, therapists, volunteers and technicians who deliver *The Mercy Touch*® each and every day. (Read their quotes throughout our donor lists.)

We often receive inquiries on how to say “thank you” in a charitable way as well. Grateful patients and family members can make gifts in honor of an individual, a department or staff or a patient floor. These gifts will be used to assist the hospital fulfill its healing ministry. Your “thank you” will be transformed into caring for someone else who comes to Mercy in need of our services.

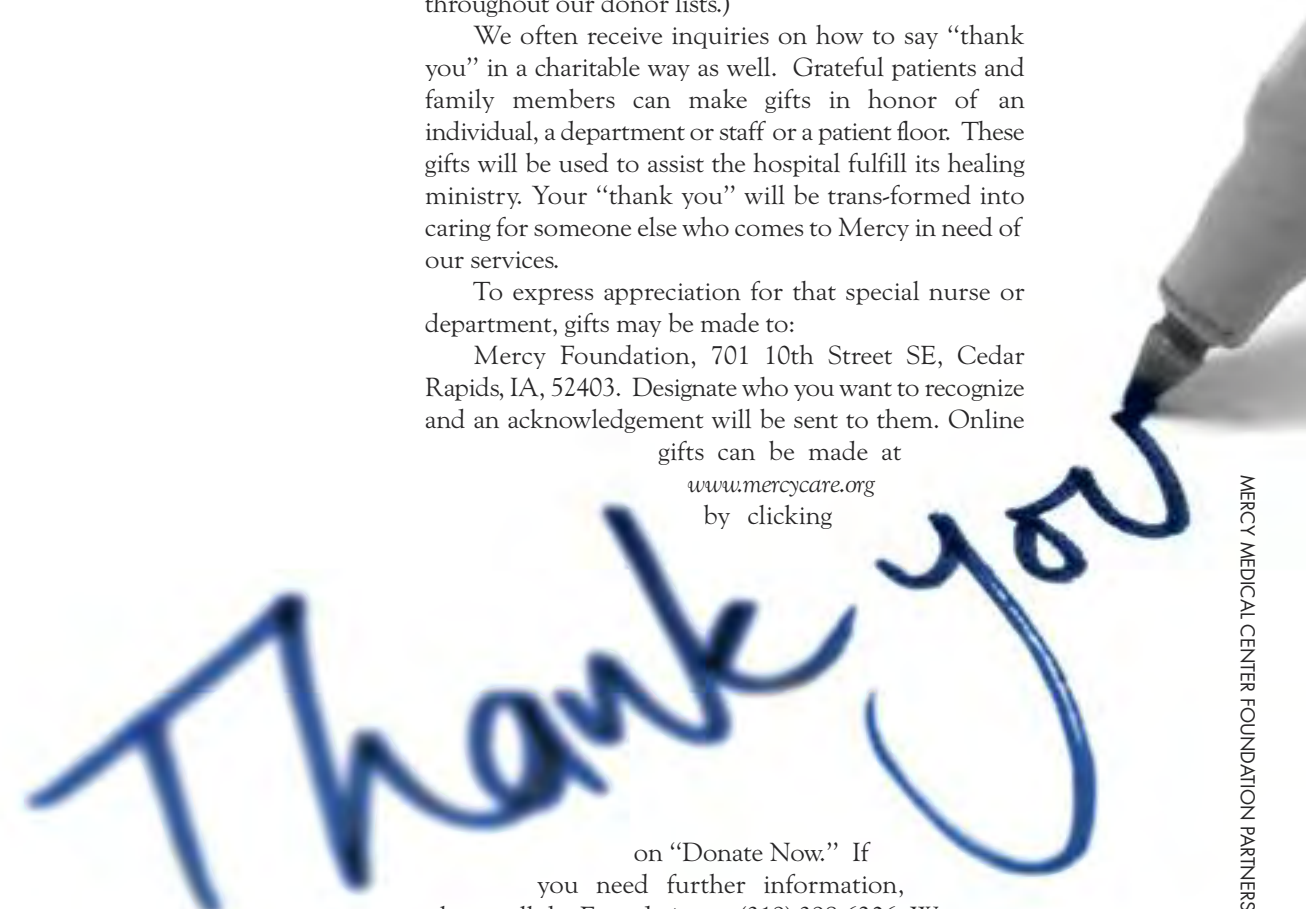

To express appreciation for that special nurse or department, gifts may be made to:

Mercy Foundation, 701 10th Street SE, Cedar Rapids, IA, 52403. Designate who you want to recognize and an acknowledgement will be sent to them. Online

gifts can be made at
www.mercycare.org
by clicking

on “Donate Now.” If you need further information, please call the Foundation at (319) 398-6206. We welcome your inquiries and comments.

Thanks for spreading *the Mercy Touch* with your gift.

*I had surgery at Mercy. I was apprehensive
and I knew the risk. Wow! What a great experience.
The hospital has beautiful rooms, wonderful care
and sincere compassion. Everyone was excellent!*

HELPING HALLMAR

Mercy Medical Center's Auxiliary presented a \$145,000 check to Tim Charles, President & CEO, Mercy Medical Center, at the Auxiliary's Annual Board Meeting on May 11, 2009. The gift, which represents countless hours of service and hard work, helped purchase a new 15-passenger bus and patio furniture for Hallmar residents. Hallmar is Mercy's residential intermediate-level nursing care facility and is licensed to accommodate 55 patients.

Maggie Hertensen, CNA, is part of the experienced Hallmar nursing staff that closely monitors the needs of residents.

A LEGACY OF FRIENDSHIP

Every September, Mercy Foundation hosts a party to honor our dearest friends—members of Mercy's Founders' Society.

These are people who are committed to the quality of health care in our community. Their gifts ensure the future excellence of care for patients and families who come to Mercy during all stages of their lives.

The Founders' Society recognizes those who have included Mercy Medical Center in their estate plans (will, life insurance, charitable gift annuity, IRA), created an endowed fund at the Mercy Foundation, or contributed a total of \$50,000 or more in lifetime gifts to Mercy. Mercy is a local and independent hospital, so all gifts to Mercy stay right here to provide programs, services and capital projects for the betterment of our community.

New members to the 2009 Founders' Society of July 1, 2009 are:

Sam* & Dee Farner
Kate Hawkins
Melvin & Carol Henderson
Dr. & Mrs. Jack Hess
Iowa Blood & Cancer Care
Wendell Koch*
Jennie & Larry McEowen
Dr. Janet Merfield & Dr. Kevin Murray
Mike & Ann Mohnsen
Bob & Susie Moran
Isabelle Morrison*
Jeanne Noble
Alan L. Parker*
Ryan Companies US, Inc.
