

CT Enterography

To Schedule: (319) 861-7778

Questions about Procedure: (319) 398-6050

701 10th Street SE
Cedar Rapids, IA 52403-1292
319 398-6011

What is a CT Enterography procedure?

This is a scan of the abdomen and pelvis, specifically looking at the small bowel.

Preparation:

Do not eat or drink anything four hours before your exam.

Procedure:

One hour before your exam you will be given a solution to drink (Volumen) that will coat your small bowel for the exam. Also, an IV contrast is used that will be injected at the time of the exam. If you are over 50, diabetic, or have high blood pressure, a blood test called serum creatinine is needed. This can be done within 30 days of the exam, or at the time of the exam.

PLEASE BRING THE FOLLOWING TO YOUR APPOINTMENT:

A PHOTO ID TO VERIFY YOUR IDENTITY

A LIST OF CURRENT MEDICATIONS YOU ARE TAKING

Parking/Registration:

Park in the Mercy Medical Center 10th Street Parking Ramp, located at the corner of 10th Street and 8th Ave. SE. You will be pre-registered, so you can proceed to **Ground (G)** level and follow the signs to "Radiology (X-Ray)," also located on Ground (G) level.

Procedure Results (Who interprets the results):

A radiologist will review the images shortly after the exam is completed. A written report will be sent to your doctor. Your doctor will discuss the results with you. Please allow your physician time to review these results, usually 2 business days after the exam.

Your appointment date and time:

Procedure date: _____

Procedure time: _____ (Please arrive 15 minutes early)
