There are a variety of projects through which members help the Auxiliary fulfill its mission. All projects and events are coordinated and executed by a team of Auxiliary members.

## **Mercy Auxiliary Mission Statement**

The Mercy Auxiliary is an integral part of Mercy Medical Center. Its purpose is to promote and advance Mercy's welfare. The Auxiliary serves as a liaison between Mercy and the community, and supports Mercy's patient and community-related services. In addition to providing many volunteer hours every year, the Auxiliary also serves as a fundraising organization.
