

We understand the uncertainty COVID-19 has caused, which is why we encourage you to continue as much of a regular routine as possible for you and your staff, including a wellness program. Of all times, this pandemic should prove how important wellness programs are to keep your workforce healthy and thriving.

Please reach out to Kristin Kuch at ([kkuch@mercyare.org](mailto:kkuch@mercyare.org)) or 319-249-8850, if you have questions or wish you have conversation about services available to your employees.
