

US Venous Insufficiency Procedure

To Schedule: (319) 861-7778

Questions about Procedure: (319) 398-6050

701 10th Street SE
Cedar Rapids, IA 52403-1292
319 398-6011

What is an Ultrasound?

Ultrasound is an easy and noninvasive way to see internal structures of the body. It sends high-frequency sound waves through the skin and produces images of major organs.

Why should I have an Ultrasound?

Ultrasound is a non-invasive way to evaluate the veins in your legs to ensure they are working properly. You will be asked to stand for this exam, if possible, while your legs are imaged. Your exam will take up to 45 minutes for one leg and 90 minutes for both legs.

Preparation:

There are no necessary preparations needed for this exam.

PLEASE BRING THE FOLLOWING TO YOUR APPOINTMENT:

A PHOTO ID TO VERIFY YOUR IDENTITY

A LIST OF CURRENT MEDICATIONS YOU ARE TAKING

Parking/Registration:

Park in the Mercy Medical Center 10th Street Parking Ramp, located at the corner of 10th Street and 8th Ave. SE. You will be pre-registered, so you can proceed to **Ground (G)** level and follow the signs to "Radiology (X-Ray)," also located on Ground (G) level.

Procedure Results (Who interprets the results):

A radiologist will review the images shortly after the exam is completed. A written report will be sent to your doctor. Your doctor will discuss the results with you. Please allow your physician time to review these results, usually 2 business days after the exam.

Your appointment date and time:

Procedure date: _____

Procedure time: _____ (Please arrive 15 minutes early)
