

Attention RN Students!

Picture yourself gaining hospital experience **AND GETTING PAID** while you're still in nursing school?

Mercy offers a 10-week summer program starting in June!

Mercy Medical Center offers a unique opportunity for nursing students each year with a paid internship during the summer. In addition, scholarships for coursework are available for those who are accepted into a nursing internship at Mercy.

In past years, nurse interns have been placed in the following hospital units:

- Intensive Care
- Orthopedics/Neurology
- Emergency
- Surgical/Oncology
- Birthplace/NICU
- Operating Room
- Inpatient Rehab
- Cardiac Stroke
- Behavioral
- Pulmonary Medicine
- Pediatrics

To qualify, applicants must:

- Be currently enrolled in a BSN program as a junior who will be going into their senior year in the fall.
 - o All nurse interns must enroll in NU360 through Mount Mercy University.

For more information, please contact Brandy Jennett at bjennett@mercyare.org or (319) 398-6440. Applications accepted Nov. 16, 2019 - Jan. 10, 2020.
